

Newbury Hall: Taster Sessions - start any week of the year

Our taster sessions provide an opportunity to study in a UK boarding school. This might be for the immediate experience or with a longer term view of coming to the UK for an extended period in the future.

Newbury Hall delivers a 'trajectory education', a unique approach that focuses on the pupil's ultimate goal.

1:8 maximum class ratio

27 hours coaching per week plus supervised homework

Inductions, tests, reports and certificates

Full-board single ensuite residential accommodation

Engaging sports and creative opportunities

Ages 13 - 17

The pupils who really benefit from Newbury Hall's trajectory education:

- 1 Those who have a clear career ambition, but are not confident about their chances of successfully reaching their goal. They have usually been held back by a misguided syllabus.
- 2 Those who are yet to be inspired by a direction of study, be it identifying a subject of interest or a skill that might lead to a career option.

The trajectory education is defined by the open-mindedness of all those involved in supporting the pupils:

- no hierarchy of ambitions
- respect of the pupil's plans and aims: no judgement
- every pupil's choice is valued
- a bespoke learning plan based on achieving the desired objective
- a palette of options to allow an informed decision

2018/19 Dates & Fees:

Students start any week of the year. No minimum level of English is required.

Weekly prices:

1 week 2 weeks
£1,510 £1,425

3 - 11 weeks

The English language is the preferred medium of study in the 21st century, so developing confident and fluent language communication skills removes a major barrier to success. Even from the lower level of fluency, the lessons are informed by the pupil's ultimate aims.

Students may choose to stay for the length of time they wish. That can be for one or two weeks, a month or a whole term. We are open all year round.

The purpose-built residence offers a number of safe, clean, comfortable single bedrooms with a private shower, W.C., broadband and study area. All meals are served in The Forum and cooked in-house by a professional team working with top-quality, fresh ingredients to deliver a well-balanced and varied menu of international dishes, including feijoada! A choice of continental and cooked breakfast is available each day, as well as a hot lunch and dinner seven days a week. In addition, a late-night snack is always available and fresh fruit and beverages are accessible throughout the day.

Activities include: Art, Badminton, Cookery, Crafts, Football, Gardening, Gym, Pyrography, Swimming, Table Tennis & Yoga.
